Foreword

June, 1974 has arrived, with the realization that we are at a crossroads of life—childhood and high school days behind us, adulthood ahead. For twelve years we've walked along the same path, stumbling over the roadblocks, but enjoying the smooth stretches.

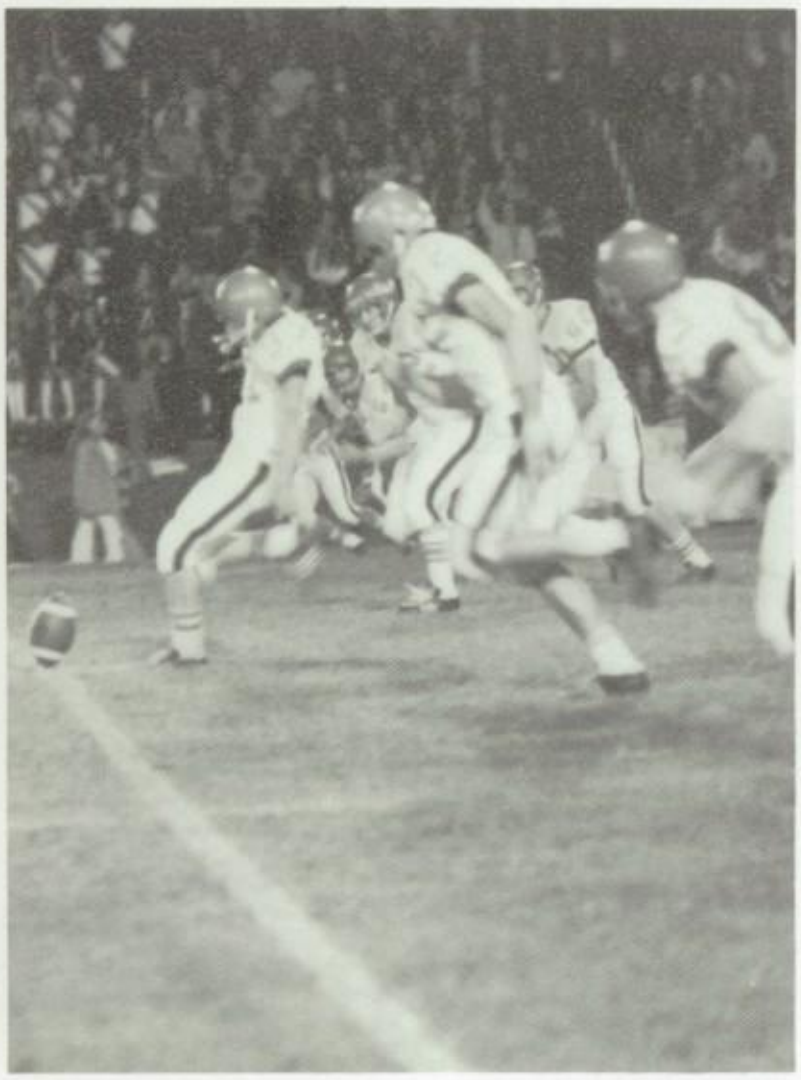
The last few months our minds have been filled with "What comes next?" and "Where do I go from here?". Decisions have been made and now each of us will go in separate directions—college or other postgraduate training, jobs or the service. Most will be leaving their families; some will establish homes of their own.

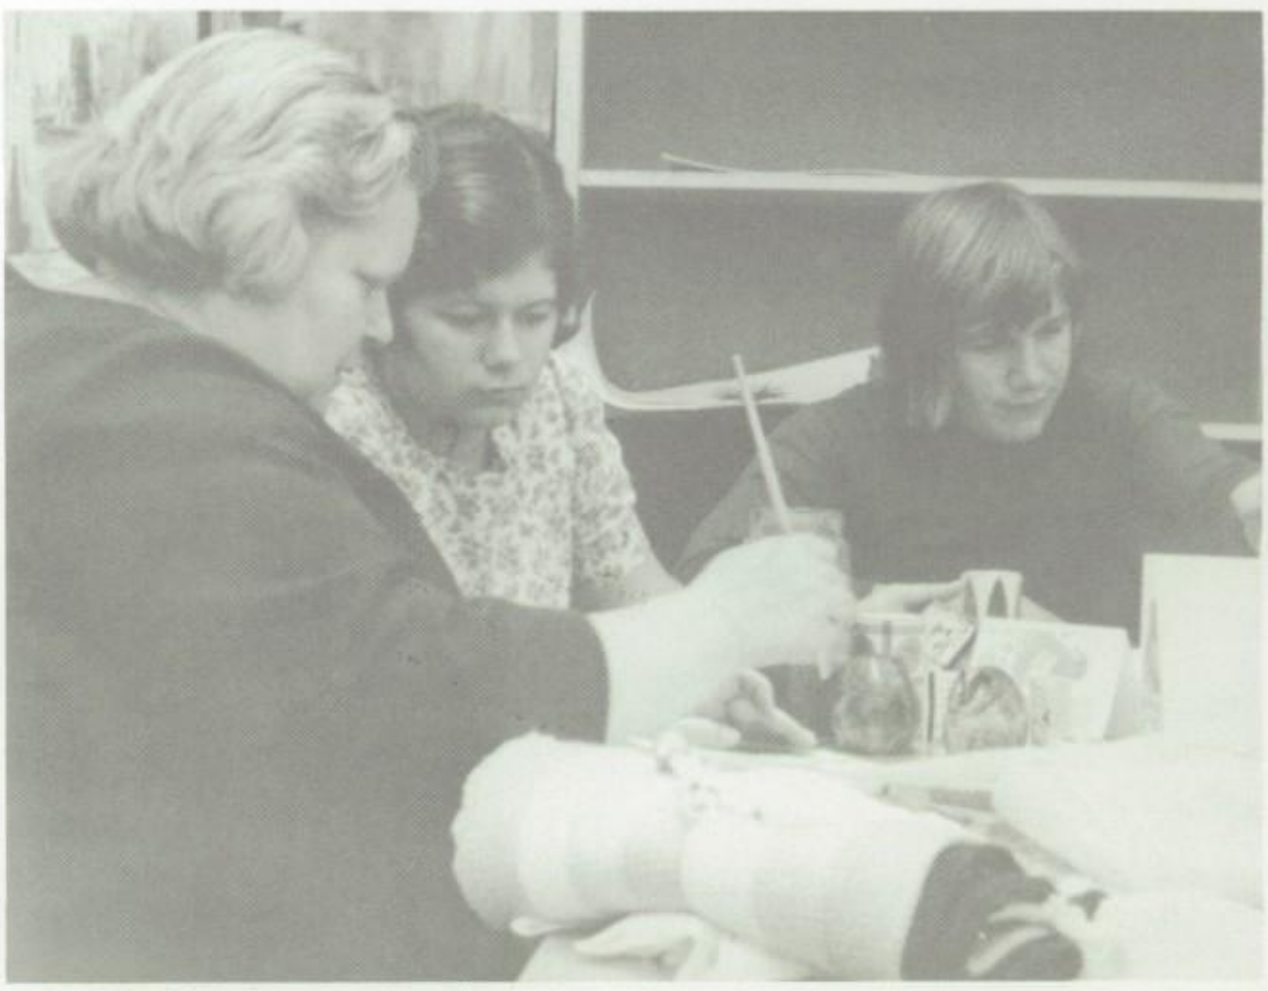
Only memories hold the class of 1974 together—the friendships made, the teachers met, the emotions aroused by competition and cooperation felt, the nights of study endured, the laughter and tears shared—all made the years at Bellefonte Area High School a special part of our lives.

This book is a look back at those memories; may it encourage us to look ahead to the dreams whose fulfillment lies just beyond.

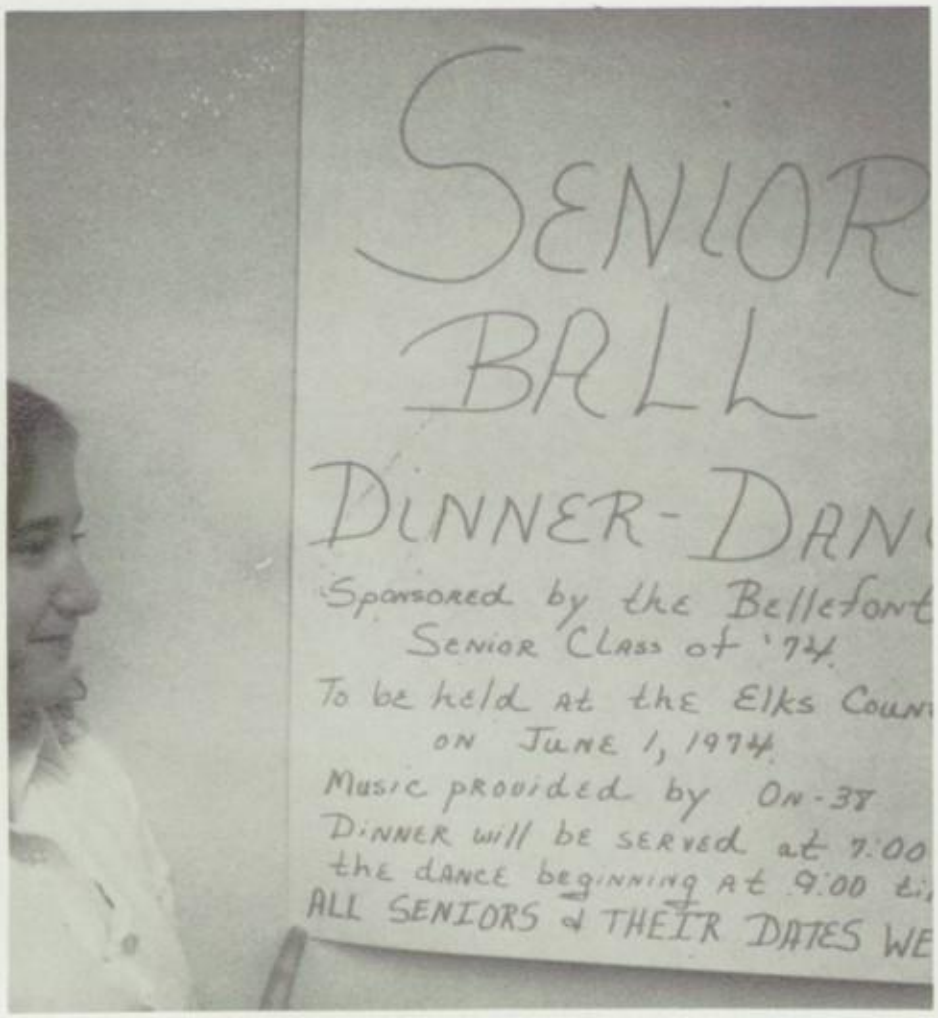
To the present juniors, sophomores and freshmen we wish the best of good times and academic achievement in their remaining years at BHS.

*We've only just begun to live . . .**





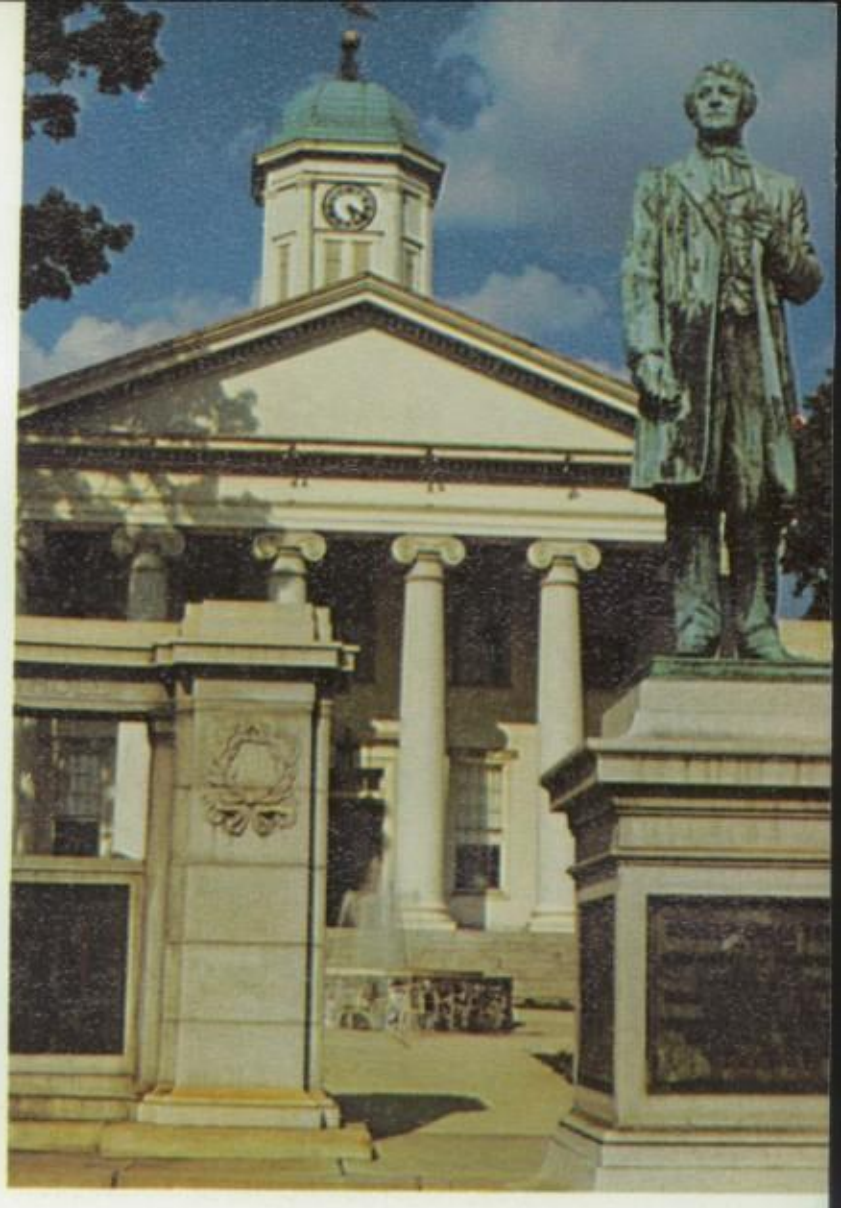
*White lace and promises . . .**

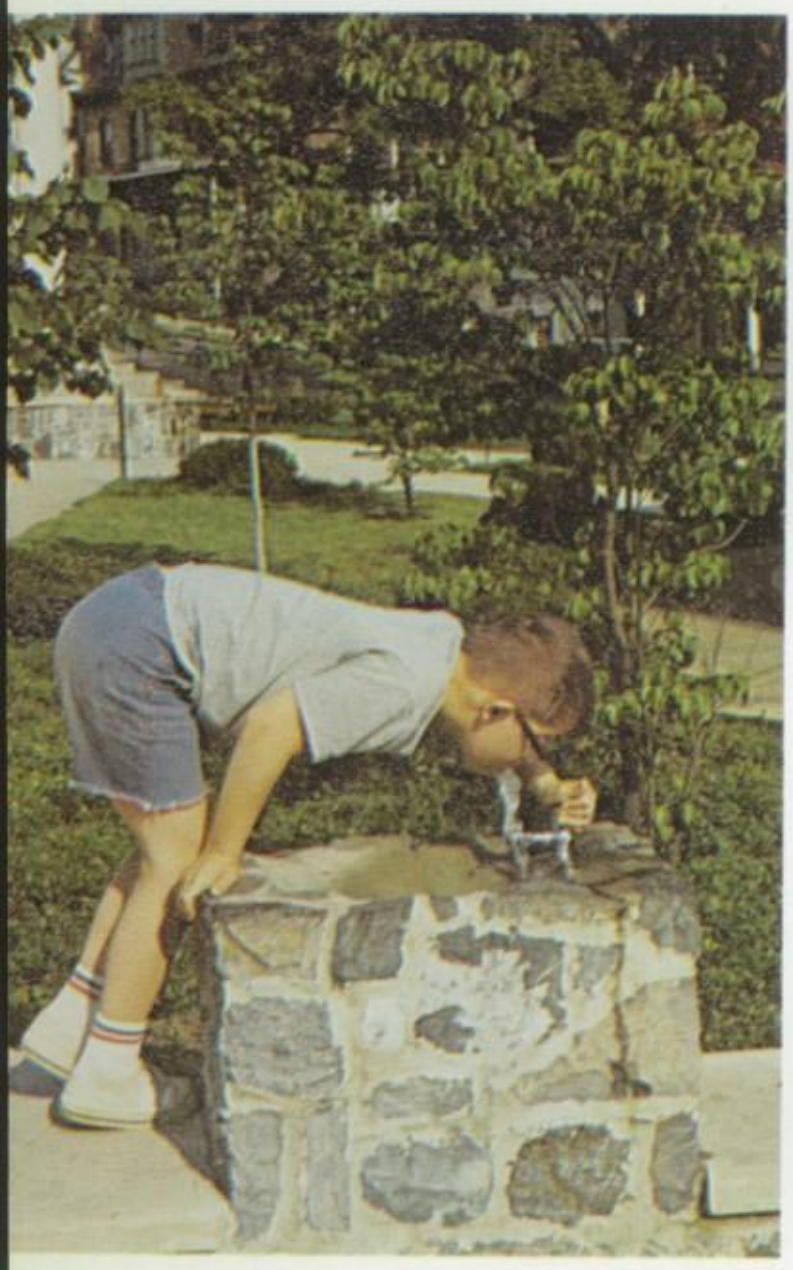


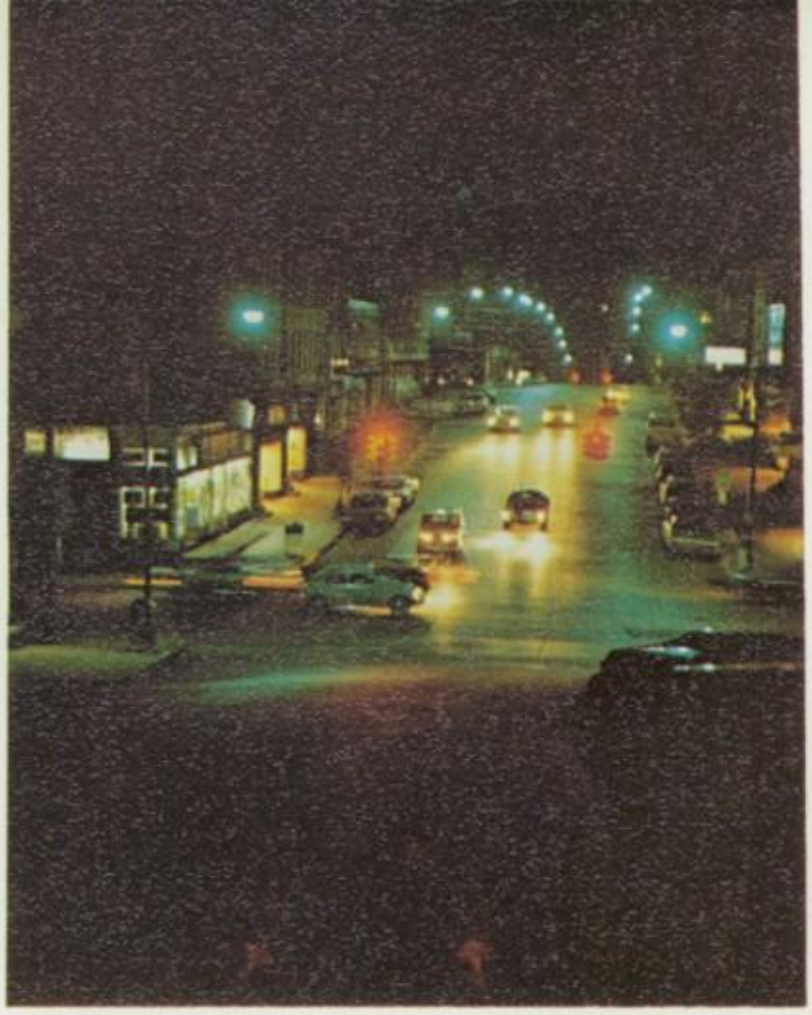
*A kiss for luck and We're on our way . . .**

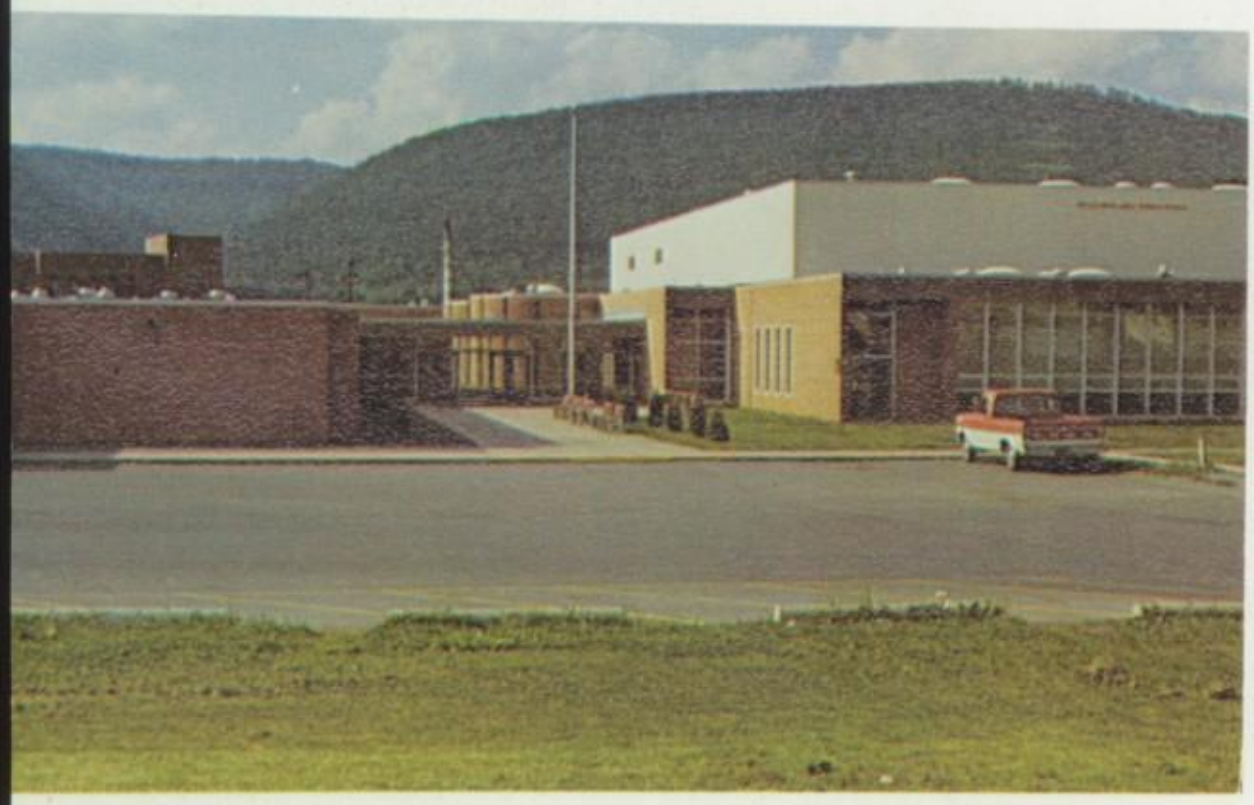
Before the rising sun
we smile
So many roads to
choose
We start out
walking and learn
*To run . . .**

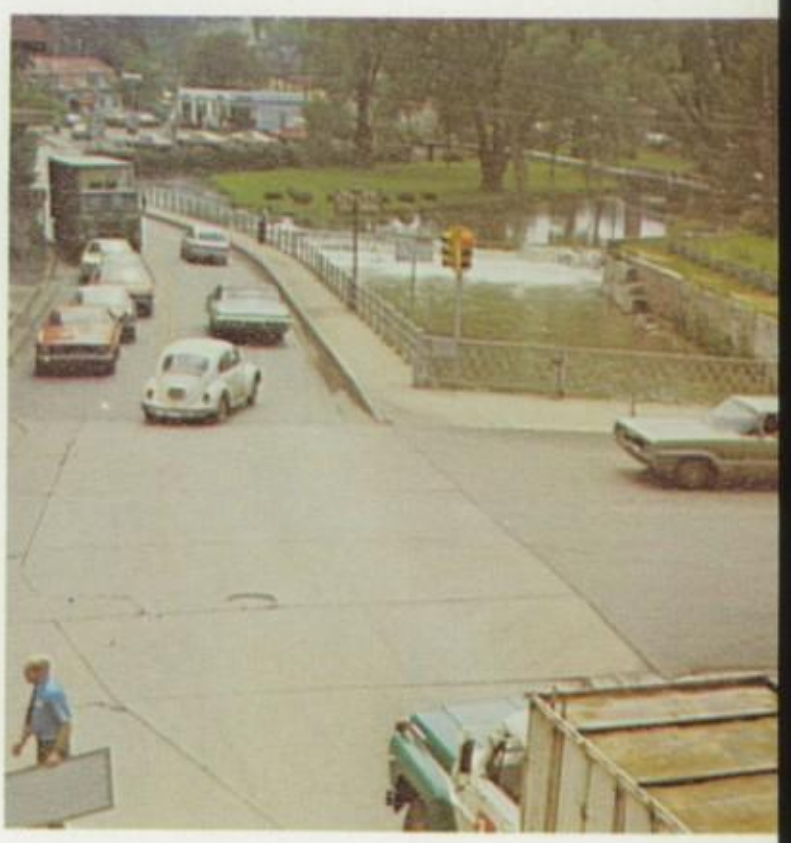
Sharing horizons
that are new
To us;
Watching the
signs along
*The way . . .**





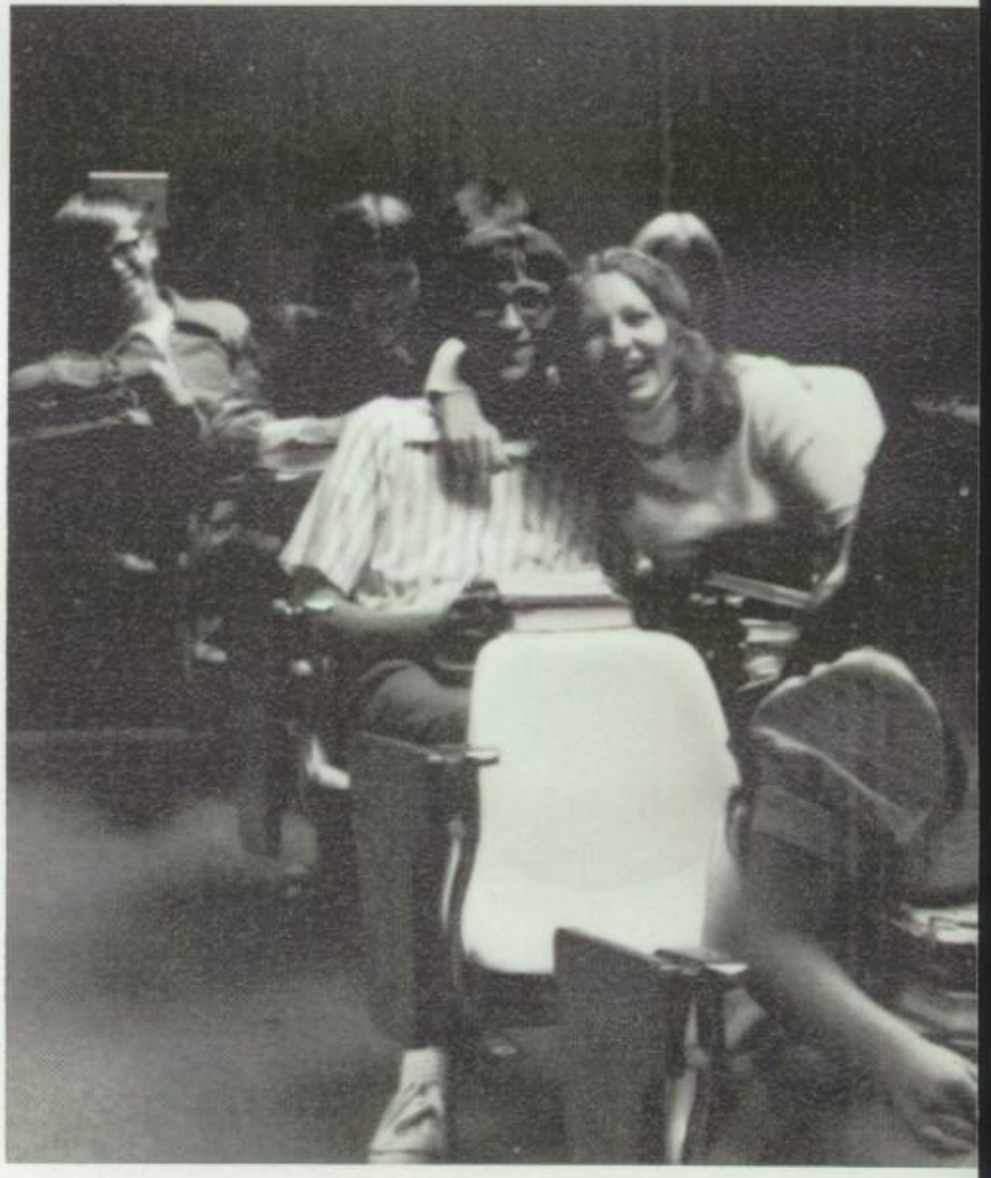




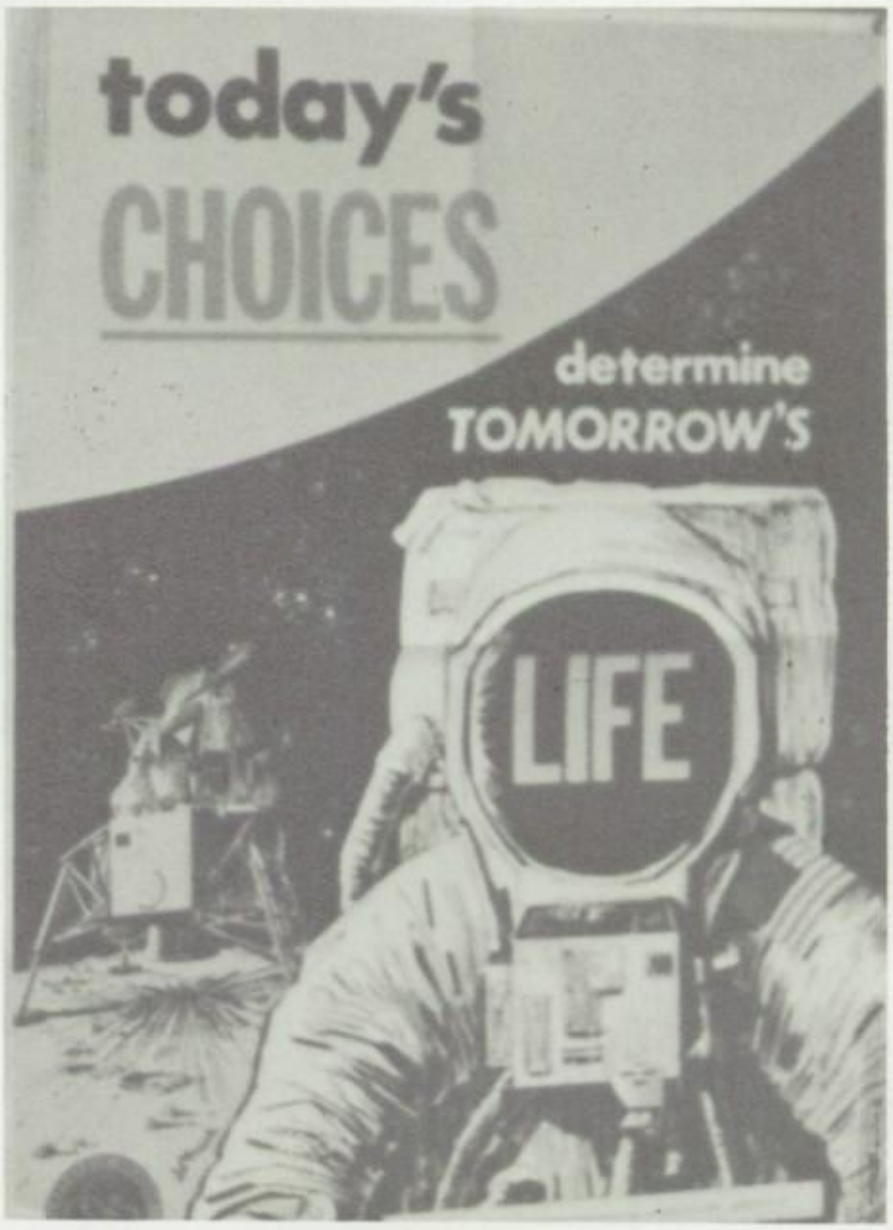


Talking it over
*Just the two of us . . .**

Working together
*day to day . . .**



And when the
evening comes
*We smile . . .**



So much of life
ahead
We'll find a place
where there's
*Room to grow . . .**

And

Seniors

1973-1974 Class Officers and Cabinet

Left to Right: Nancy Drapcho, vice president; Maxine Frank, secretary; Deb May, treasurer; and Charlene Kahle, president.

Standing L. to R.: Glenn Rider, Bill Kovacic, Mark Wallace, Rick Witmer. Seated L. to R.: Deb Boscaino, Cindy Breadon, and Davy Gordon.

It was the fall of 1962 when we entered our various elementary schools carrying Flintstone lunch boxes, empty book bags, hand me down notebooks and brand new pencil cases. We thought we were really something going to school for the first time. Those younger days were rough—learning to read and write and practicing arithmetic and spelling. Recess meant a time to play "Red Light Green Light", "Mother May I" and "Tag". The Class of '74 got together for the first time to go to the Shrine Circus in fifth grade; we never imagined how close we, as the Class of '74, would become.

Then we entered Bellefonte Junior High and faced foreign languages, history and gym twice a week; while English, science and math kept us awake at nights. We went to our first dances, our first slumber parties, and we finally were able to participate in sports programs. As freshmen we gathered for our first class meetings. Mr. Probst and class president Jane Mihelic organized our first successful class project—the ninth grade candy sale.

Many of the best times of our life can be remembered from the Bellefonte Area High. Construction, a new addition, a number one baseball team, candy sales, pep rallies, a winter carnival, and a three week teachers' strike made our three years at BHS unique. Finally we were The Seniors. Many had rough decisions to make concerning the future. With ham sandwich sales and other fund raising projects, the Class of '74 has many memories. Now we must look ahead to the future with the assurance that Bellefonte High School has built for us a foundation to grow on.

Consider the possibilities . . .

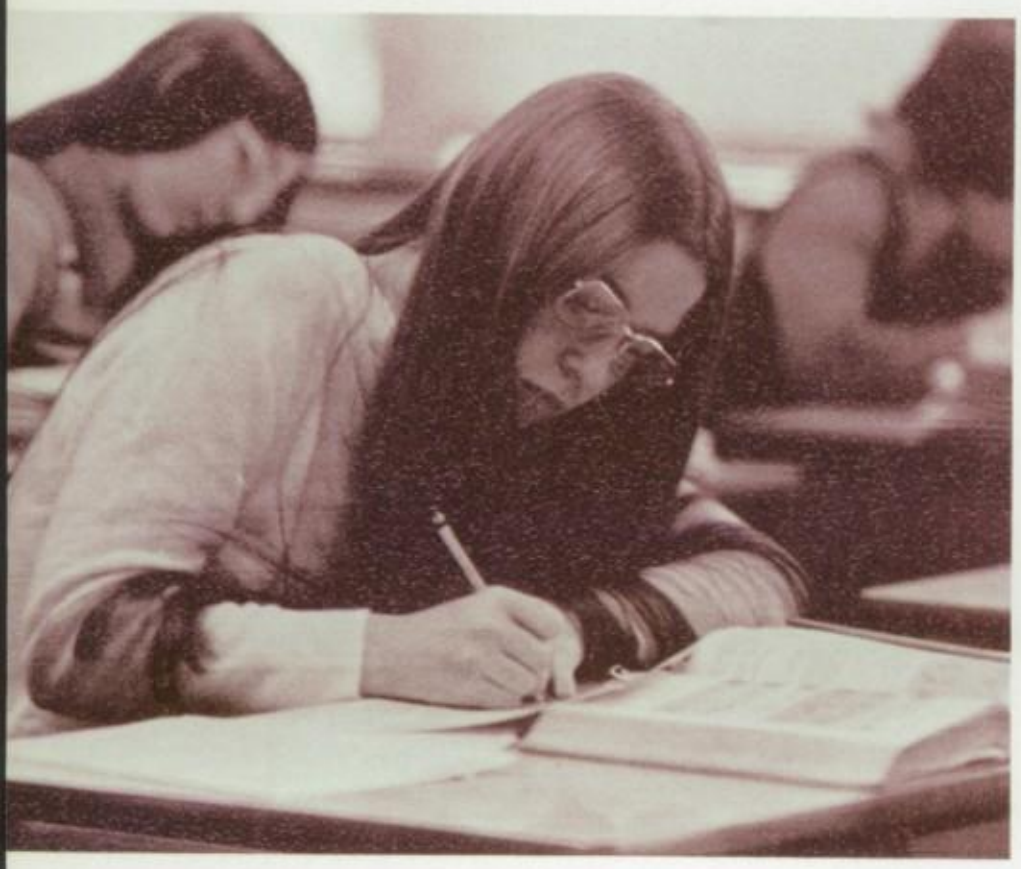
I just came from Mrs. Lambert's class!

We are ready to take your memo, sir.

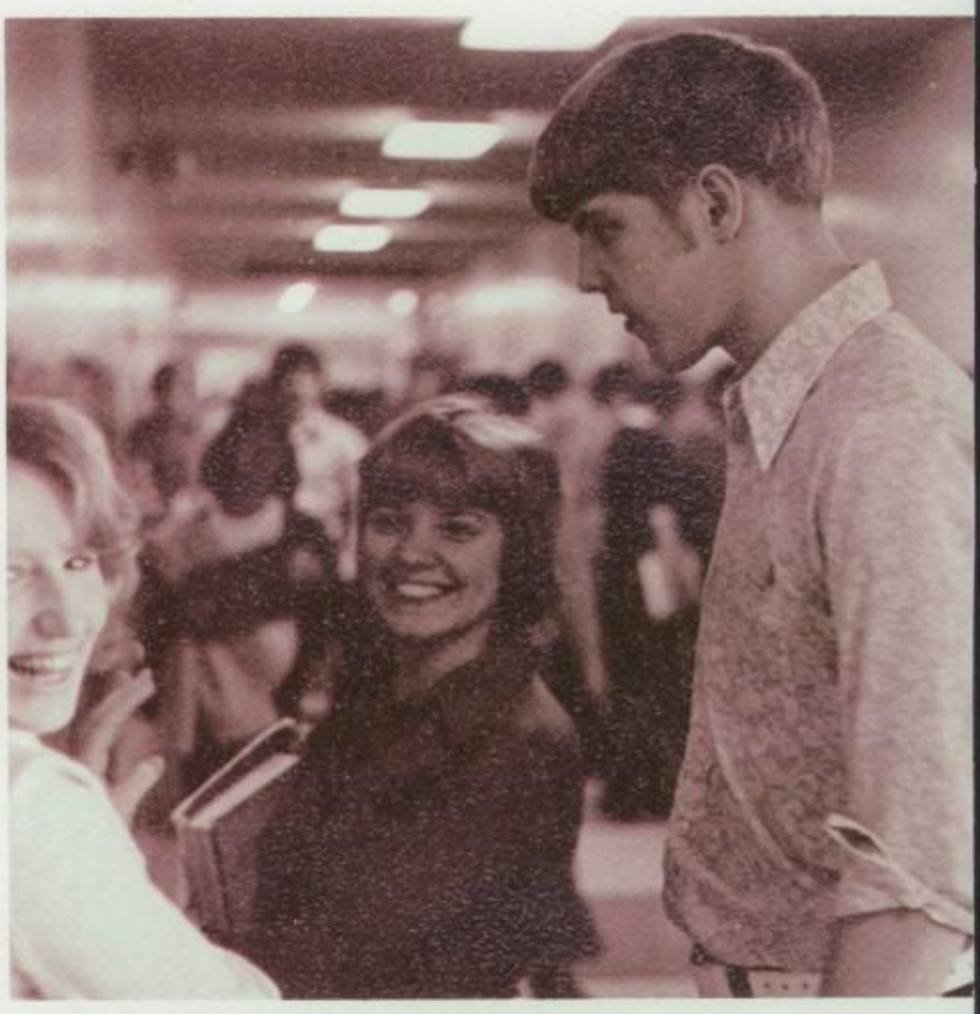
If I only had a quarter.

Are you thinking what I'm thinking?

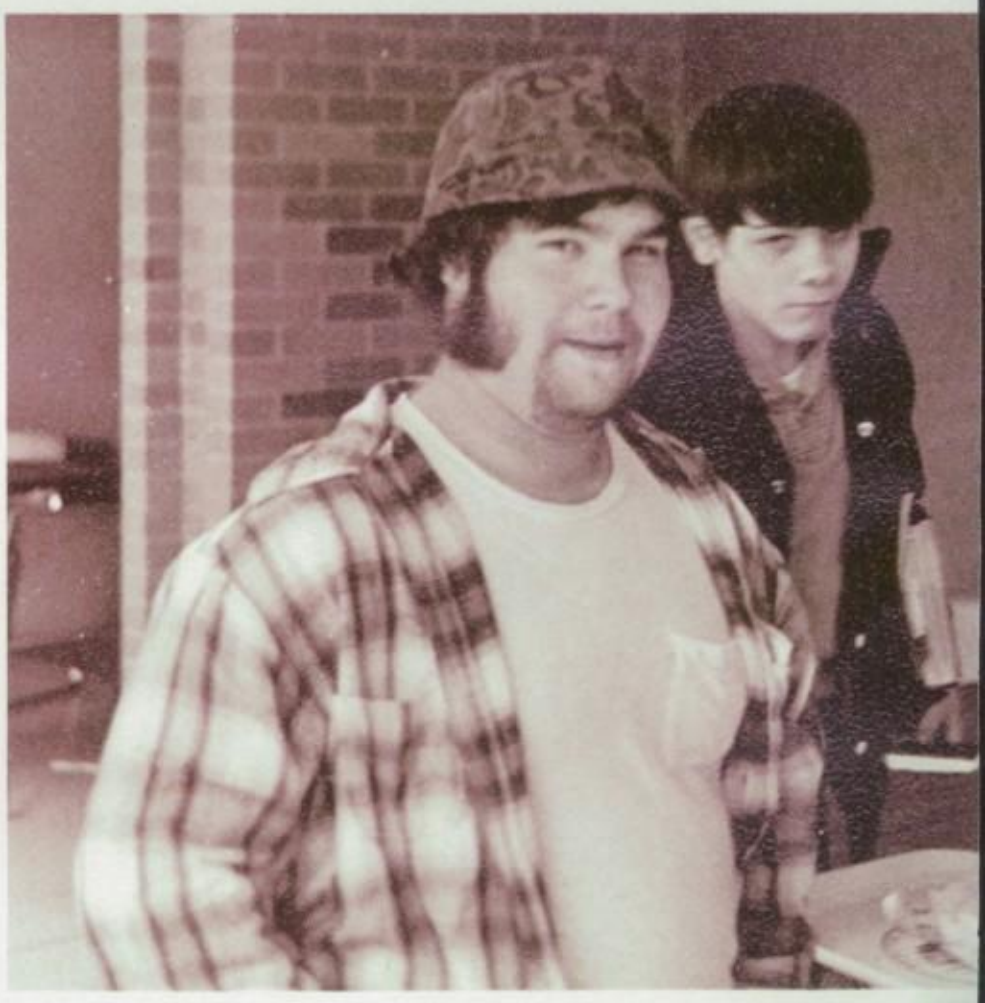
Wrong again!



Dear Danny . . .



Big Bad Sam!



Who said I couldn't eat 29 ice cream sandwiches?

Japan's Yuko Ota Visits Bellefonte

Eighteen year old Yuko Ota is Bellefonte's Rotary exchange student for the 1973 to 1974 school. She was born in Fwkushima, Japan, where her family presently resides. She has one sister, Michiko, age 15.

While in Bellefonte, several area families provided homes for her. Her first home was with Mr. and Mrs. Nevin Bierly and family; followed by a three month visit with Mr. and Mrs. John Blasko and family.

Yuko attended the Sukagawa Girl's High School in Japan. She explained that the major difference between her school in Japan and the Bellefonte Area High School is the attitude of the students and teachers. To Yuko, they seem more friendly here; whereas teachers in Japan are strict.

Music, singing, art, basketball, swimming, and Japanese dancing are included as some of Yuko's favorite interests. In addition to her hobbies, she has become a member of the Bellefonte Ski Club, and has enjoyed attending several Red Raider football games.

During her stay in America, Yuko will see much of our country. She has already visited California and Penn State, and is looking forward to a United States tour in June.

Yuko plans to attend a college in Japan, hopefully the University of Japan. Her career desire is to become an English—Japanese translator, as she understands English well, and wishes to help others bridge the communication gap. Secondly, this career, she explains, provides an opportunity to "travel all over".

July, 1974, will conclude her eleven month stay in America. At that time, she'll return to her native country, taking with her the memories of one of the most remarkable years of her entire life.

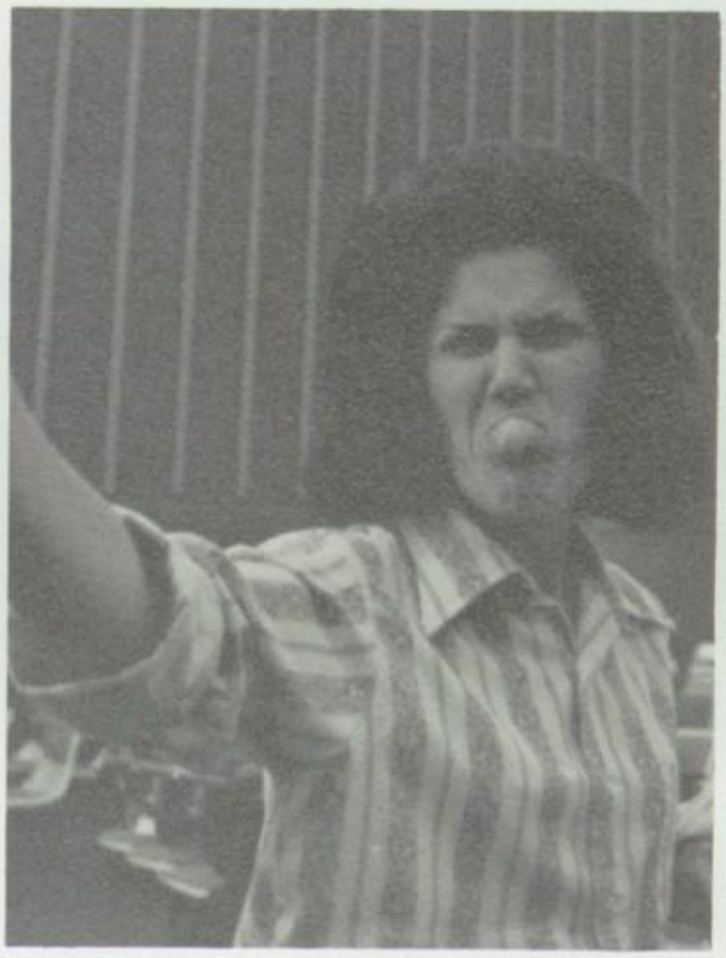
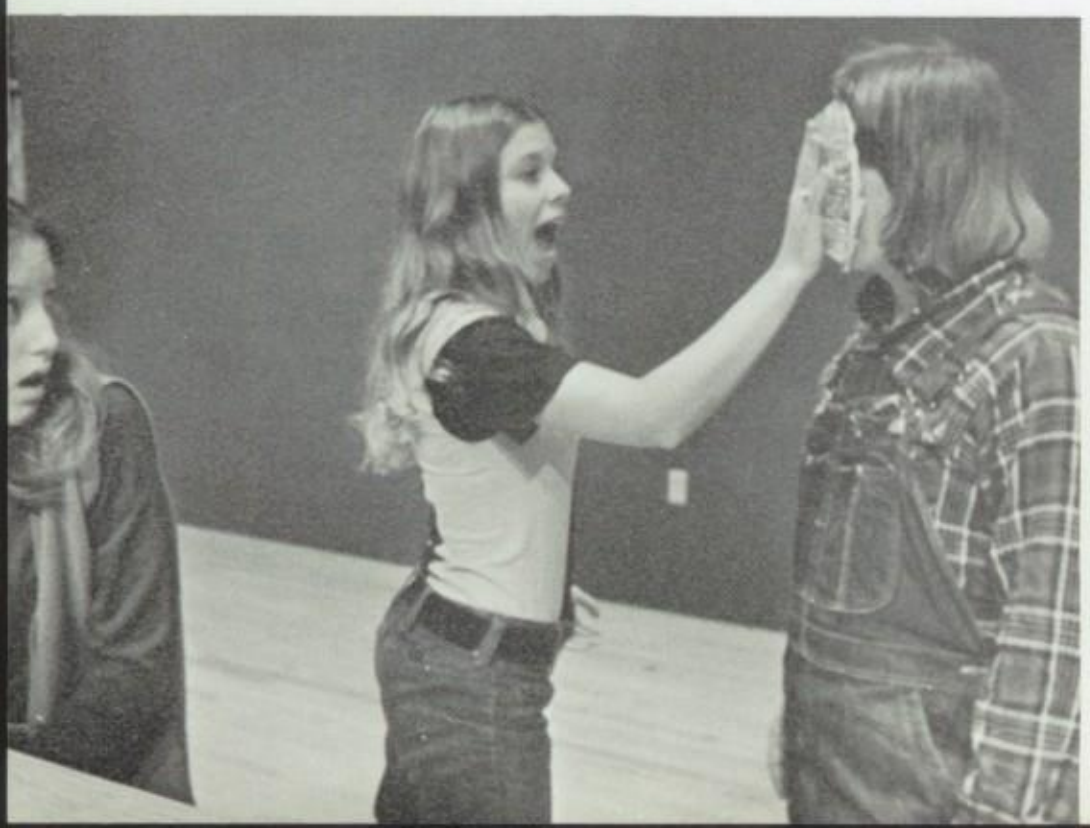
Women Libbers!

J. Mihelic, B. Stocker, S. Witmer, J. Kline, M. Coslo.



Mrs. Mills, director



Dramatics is a word that has flair. This year's all school fall production of "F.L.I.P.P.E.D." added the right amount of flair needed. The play was a light-hearted satirical comedy about the very modern theme women's lib.

The excellence of the performance brought almost 500 people to the auditorium, Friday November 31, the second night of the production. The play was ended on a sentimental note when the cast and crew presented their director, Mrs. Mills, a small kitten to replace hers that had died.

Graphic Service

L. to R.: C. Schrope, D. Rhine, D. Rhoads, W. Hayes, Mr. Palmer, adv.

The Graphic Service Club published the school newspaper and printed programs for most school functions. They printed different styles of lettering for different uses. The club used an offset press and printed various colors.

Knitting Club

Knitting Club, under Mrs. Flinchbaugh and Mrs. Sager, was organized to teach girls both basic and advanced stitches in knitting and crocheting. The girls learned to make such things as mittens, doll clothes and blankets.

Sitting: C. Eckard, B. Unger, K. Bilger, C. Watkins, J. Schwab. *Standing:* Mrs. Flinchbaugh, M. Tibbens, D. Ishler, N. Bartley, W. Deitrich, C. Zimmerman, T. Herlocher, Mrs. Sager.

I'd say this baby bootie is a bit too big.

Knit one, purl two, purl two, knit six—this is too much.

The 1973-74 Bellefonte Area High School marching and concert band was under the direction of David Cree and assisted by Philip Marchioni. The band consisted of 120 members, the largest in Red Raider history.

Added to the band, for the first year, was a flag corp of twelve girls and two alternates. The girls performed for the last four football games and several parades. Also added to the color line, were two more gun carriers.

Extensive practicing at band camp held at Bucknell College readied the band for the football season. The various shows included such songs as "God Bless America", "Black Magic Woman", "Crocodile Rock" and "Amazing Grace." The shows provided both visiting and home crowds with a halftime of worthwhile entertainment.

The marching band also performed for the Bald Eagle bon fire, Penn State Band Day and the Halloween Parade plus parades in the spring. The band also had the opportunity to play its "Patriotic Show" at a Juniata College football game.

The concert band then prepared for a Christmas concert, held on December 18. The concert included such songs as: "Do you hear what I hear?," "Snow Bells," and "Adeste Fideles." The Brass Choir played "Three Songs for Christmas," "Christmas Music for Winds" and various carols. The wood wind quintet consisting of Karen Eckenroth—flute, David Teplica—clarinet, Lorraine Smith—oboe, Martha Sholl—bassoon, and Ruth Walters—french horn performed various classical songs such as: "Sarabande in D Minor" and "Ascot Gavotte" from "My Fair Lady." The concert band then concluded the year with a spring concert.

The girls attended Camp Maple Lake near Wellsboro, Pa. last July. There they learned several routines and advanced twirls.

The majorettes then prepared for competition in the spring. The squad had only one senior participating this year; so, BHS can look forward to an even better squad next year.

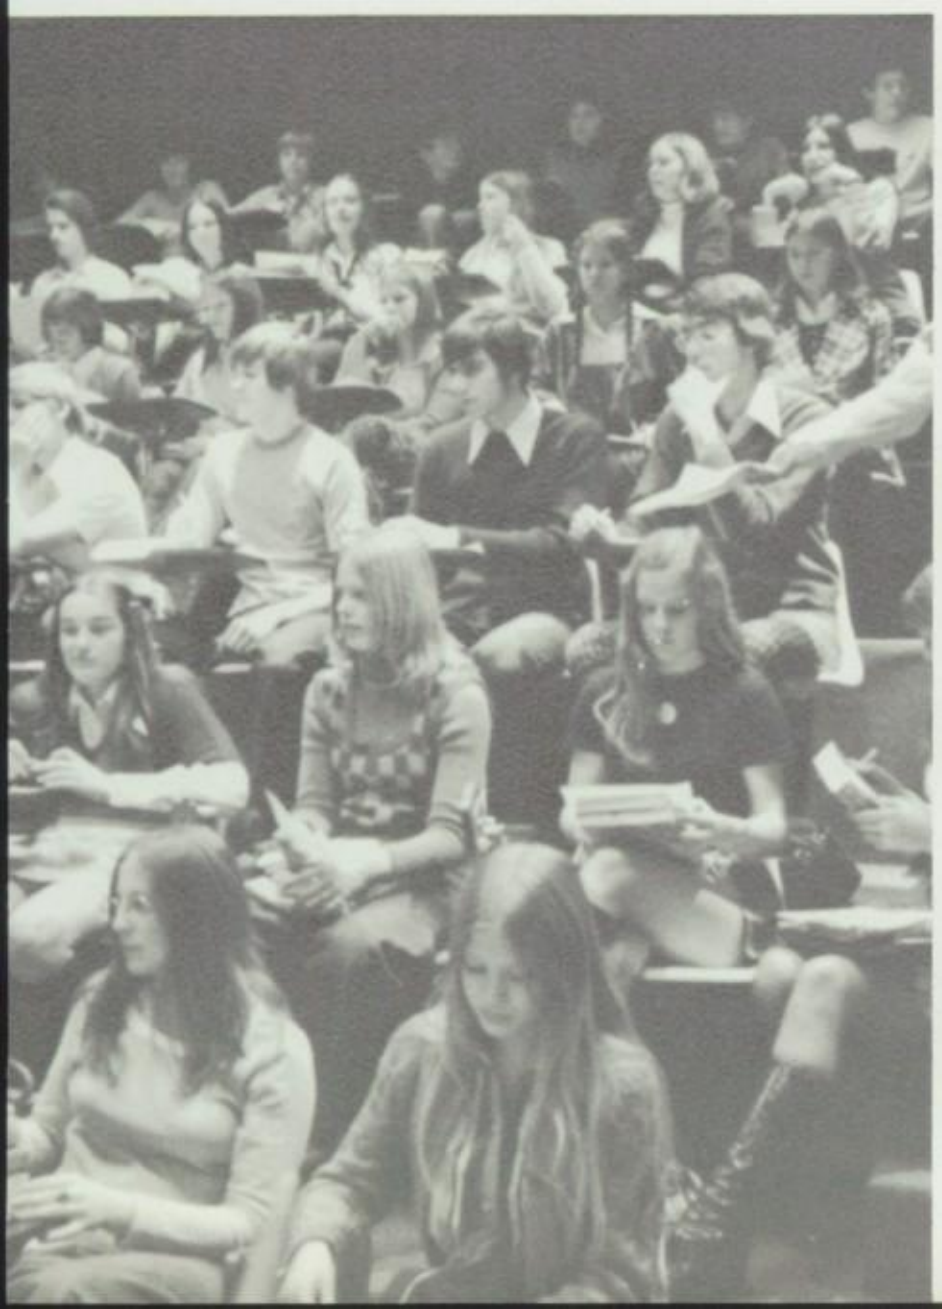
Student Council



This year's Student Council was actively involved in conducting various functions for the students of Bellefonte High School. Their first project of the year was sponsoring a dance after the Philipsburg-Osceola football game. A State Convention at Philadelphia in October highlighted the agenda for certain Council members. Those who attended were: Richard Morgan, Council advisor, Connie Wilkinson, and Jackie Packer. Also in October, Jeff Walker and Jeff Stachowski participated in a Pennsylvania Teacher's Association Convention. All five representatives brought back new ideas to improve our system.

The organization of a special "Homecoming Weekend" proved to be one of their most elaborate projects. The dance, selection of our Homecoming Queen, and the exhibition of the class floats were among the events of the weekend. Other Council activities included a "50's" day and a spring convention held at our school in April.

Art is skill in making or doing and with the many different colors, designs and textures, no wonder art is so pleasing to the eye. Trying to encourage more art work in the school, the art club showcase contains information about activities, classes, and exhibitions in Centre County. Art Club members included in their projects for the year a mural for the school lobby and framed pictures for display in the halls.

LaBelle 74

The 1973 members of the LaBelle staff have worked many hours trying to capture all the memorable events that happened throughout the year.

The club experimented with a new system of organizing the year book this year. Instead of the staff being divided into individual committees for each activity, it was composed of only five groups. In addition, the staff included Freshmen members.

Because of the special features of the LaBelle, the committees had to work to their highest potentials to make this year's book a very special one.

Red and White busy during club period.

The *Red & White,* under the direction of Mrs. Judy Campbell met every Wednesday both the a.m. and p.m. club periods.

The purpose of the newspaper is to inform BHS students of their school and community along with an entertainment section to supply everyone with "something to do" in study halls. This year the club and a journalism class worked together to create a fine bi-weekly newspaper.

They put that in the Red and White.

Deadlines . . . Typing . . . Proofreading . . . are all a primary concern of the news reporters for the CDT Paging Youth. The students are under the supervision of Mrs. Carol McClure (co-editors Deb May and Jane Mihelic gave the writers various assignments concerning school activities and events.)

This year the CDT writers learned to cope with a major paper shortage. To allow for adequate news coverage in a limited amount of space, the students wrote basic news stories of one paragraph. The paragraphs combined, provided the public with a concise news summary from Bellefonte High. The group also worked under a weekly deadline in order to grasp some of the realities of working for a professional newspaper.

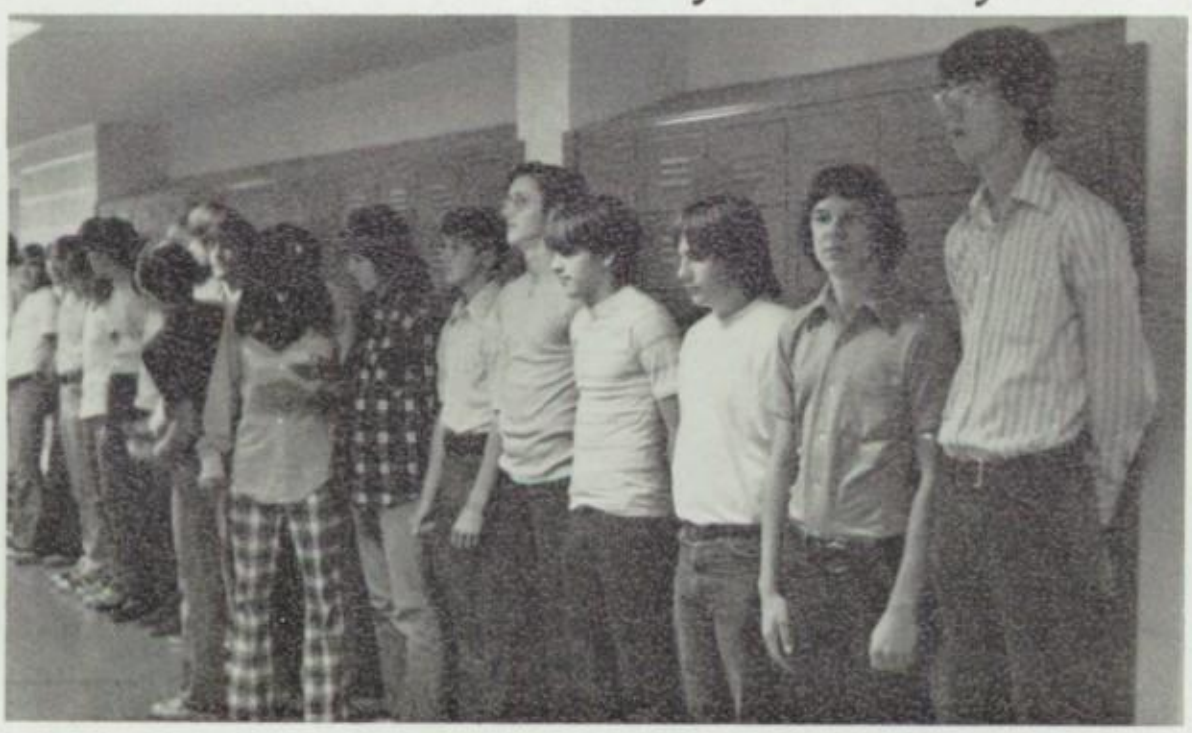
Boys' Varsity "B" Club



Girls' Varsity "B" Club

Ralph Gray, advisor

The Boy's Varsity "B" Club was very active this year. Besides their selling of programs at football and basketball games, they sponsored the Varsity-Faculty Basketball game and a "B" Club team in a Recreation Volleyball league. The "B" Club assisted the Girl's Varsity Club by officiating the Powder Puff Games. Every year the "B" Club presents the Hockman Award in memory of Bob Hockman. They presented athletic awards to senior lettermen at the awards assembly. The "B" Club tutored athletes to help them maintain good grades.

Girl's "B" Club, advised by Mrs. Linda Lowe, was made up of girls who lettered in a varsity sport. After lettering any girl was eligible for "B" Club, but must pass initiation before she was considered a member. The girls sponsored and began an annual powder puff football championship. Their other projects included bake sales, dances, and the selling of "Go! Red Raider" pins for winter sports. With the money they made the girls bought new "B" Club jackets.

As the temperatures dropped days became shorter and schoo doors opened. Spikes, pads and jer seys were handed out to varsity candidates and the beginning of a new football season was at hand.

Pep rallies and frequent banc rehearsals were signs of the firs game. A win would have brough happiness to the Raiders and the new coach. However, everyone's hopes were dashed to the ground as Philipsburg went home with a 25-0 victory.

After a week of practicing, the team showed great potential and was ready for their second game. Again Bellefonte's hopes were washed away, when Huntingdon left with a 32-0 win. Another scoreless game for the Raiders.

The team showed much aggressiveness throughout the game and was determined to beat the Trojans after two previous losses. Mount Union has its difficulties moving the ball, as did Bellefonte. The Raiders' drives stalled at the Trojan four, ten, 14, and 20 yard lines during the course of the contest, twice on a fumble, and once on a broken play. The game ended with a Mount Union win of 8-0.

It was another rainy night when the Raiders experienced their fourth defeat in a row, by the opposing Bobcats. We came out on the short end of a 34-0 score as the Lock Haven's offense controlled much of the game.

Tyrone was the fifth opponent of the season. The Raiders tried hard, but did not seem to "get it together" against the Golden Eagles. The Red Raiders were without a first down until the fourth quarter, when Chris Clemson ran for four yards to move the sticks for the first time. The Golden Eagles won the contest 22-0.

Although Bellefonte lost and did not score for the sixth straight week,

Highlights

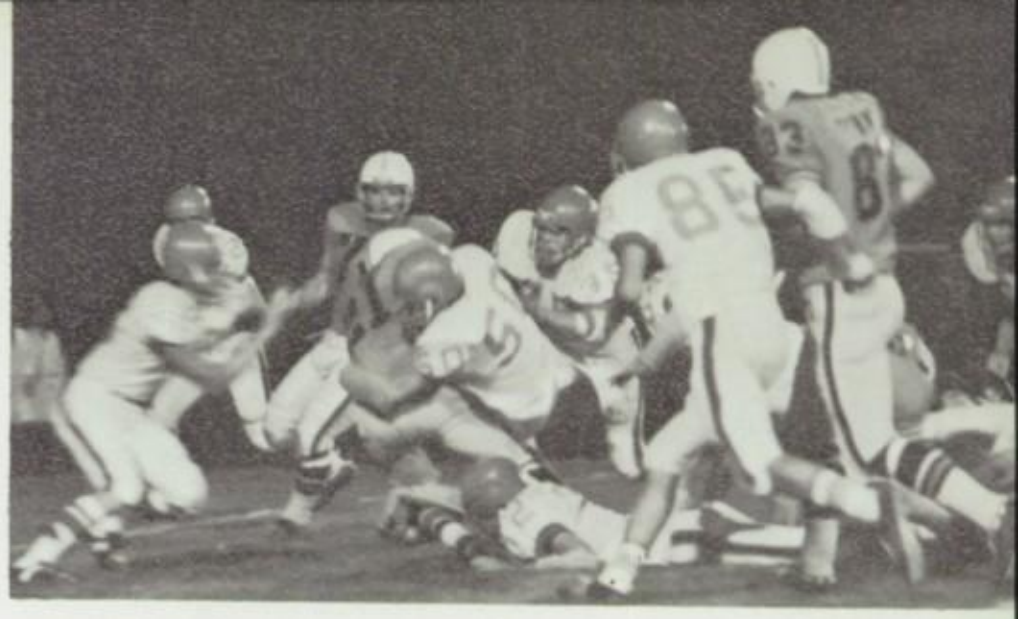
he Raiders played a fine defensive ball game against Jersey Shore. The Bulldogs hung onto a 7-0 lead going nto the fourth quarter and scored again to make the final score 14-0.

As the fans awaited the rival game of the year against Bald Eagle Area, he lights went out, postponing the game for forty minutes. A few minutes after the kick-off, Joe Williams blocked a punt which Jerry Weaver scooped up at the ten yard ine and scored the FIRST touchdown of the season for the Raiders. As halftime approached Bellefonte was enjoying a 6-0 lead. In the third quarter, Jerry Weaver blocked an Eagle punt and two minutes later Dave Alterio made the second Raider touchdown. However, these highlights only spoke for Bellefonte as BEA came up with five touchdowns, to top the Raiders 35-12.

It was a troublesome night on the gridiron for the Raiders as Bellefonte approached Clearfield. The only Raider score came in the fourth quarter, when Jerry Weaver blocked Bison punt in the end zone, to make the final score 35-2.

In a closely fought battle, the Red Raiders suffered their ninth loss of he season. Bellefonte's lone touchdown was scored on a five yard pass rom sophomore quarterback Clemson to junior Keith Naylor. The conersion was scored on a pass from Drew Clemson to brother, Chris. he final score was Lewistown-Granville 21 and Bellefonte 8.

The Bellefonte Red Raiders wound up its 1973 football season, losing to a strong Chief Logan team, 4-12. Bellefonte's touchdowns were scored on a fourteen yard run by Dave Brooks, and a 38 yard pass-and-run play by Chris Clemson. Dave Brooks, known as the "work horse of the Raiders", paced the Bellefonte offense, gaining 156 yards in 33 carries.



Is that move in the body language book?

WON: 3 LOST: 5

The 1973 J.V. football teams, under head coach Robert Grieb and assisted by John Wetzler and Thomas Shirey, finished the year with three wins and five losses. The goal of the J.V. team is not only winning, but giving freshmen and sophomores experience for the varsity team.

Outstanding sophomores Rick Drapcho, Dave Brooks and Drew Clemson also received varsity experience along with their regular J.V. games. Wes Settle, Faron Clouser, Dave Roan, Joe Kershner and Dave Ream were among other players who led the team to a successful season and an expected good team next year.

Cross Country

The following five boys each earned a varsity letter for the cross country team: Bill Kovacic, Dana Catalano, Rick Witmer, Keith McClellan and Christie Confer. Of the above five, the only returning harrier from last year's team was Bill Kovacic. Others who ran on the team were Randy Witmer, Kermit Fincham and Rudy Immel.

The dual meet record for the season was four wins and eight losses. They defeated Bellwood, Huntingdon (twice), and Tyrone. Losses were handed to Tyrone, Bellwood, Jersey Shore (twice), Altoona, DuBois, State College and Kishacoquillas.

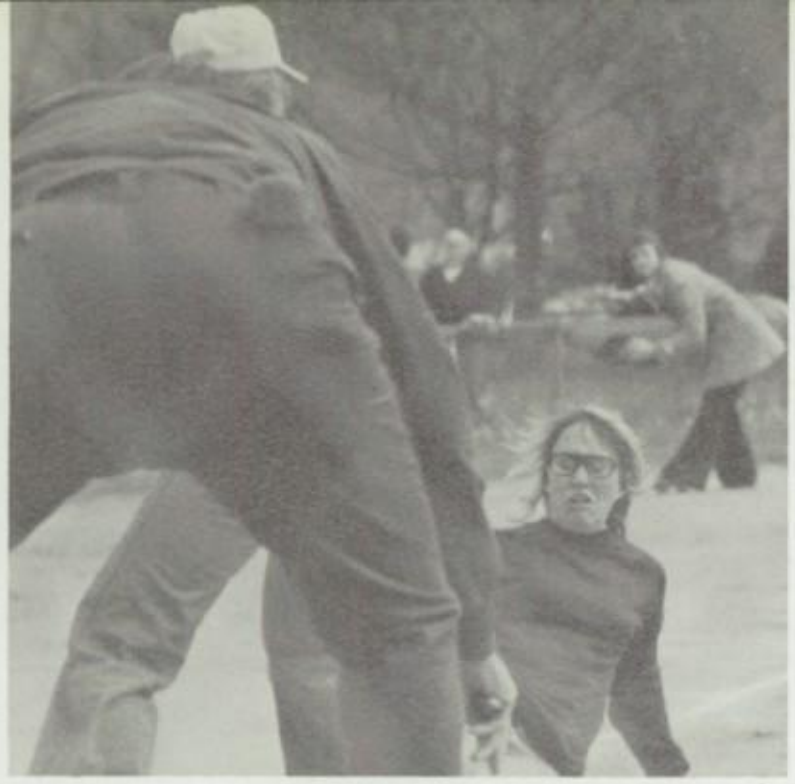
Here comes my super duper once in a life time screwball.

To slide or not to slide, that is the question.

Look at that baby spin!

I love you—I love you!



Mommy told me things like this might happen.

Now ball, come to Carol.

She'll eat it WHOLE!

This year's Bellefonte Girl's Softball team made its big debut in the Central Counties Softball League by capturing the championship. Under coach Linda Lowe, they finished with a tremendous 13 wins and two losses.

Fine defense and aggressive offense was the keynote to their many victories. A big triple play, quick thinking and slick fielding helped the team come back and win some close games. The "hit crazy" team, in an almost loss, managed to score thirteen runs in the last inning to pull out with another victory. When the team needed a win, they got together defensively behind the pitcher, Beth King, and left their opponents hitless.

I'd smile too, if I was a champ.

Just let her try to get it by me.

Should I?

What a swinger!

Returning to league action the boys came back and played 500 ball the remaining games. The team showed the school and community some exciting and close games.

Both coaches and fans were pleased with the J.V. Basketball season. The boys worked hard, played together and showed good sportsmanship on and off the court. They are a young team and have two good years coming up if they can continue their hard work and positive attitude.

The boys who sat the bench all year and came to practice every day deserve a pat on the back for their work and good hustle.

All in all the team had a great year and are looking forward to bigger and better things to come in the future.

Varsity Wrestling

Education, the process of learning, is not restricted to formal classroom lectures and tests. Everyone can remember certain things from the past that had a definite influence on one's life. This influence is learning put to action, which is ultimately the goal of formal education. Many activities create opportunities from which an individual may learn . . .

Wrestling, as a major activity of its team members and of the Bellefonte community, can be a significant educational experience. The most obvious aspect of the sport is the sense of reality that is so much a part of it. There is little left to chance . . .

The emphasis is on victory. Spectators like winning teams; that is reality. Coaches like winning teams; that is reality. Competitors like to win, and this is the clearest reality of all . . .

Defeat is an awesome reality; not easily rationalized. What is lacking? . . . A level of self-awareness must be reached to answer this question—another educational experience.

Mr. Wetzler and Mr. Muir.

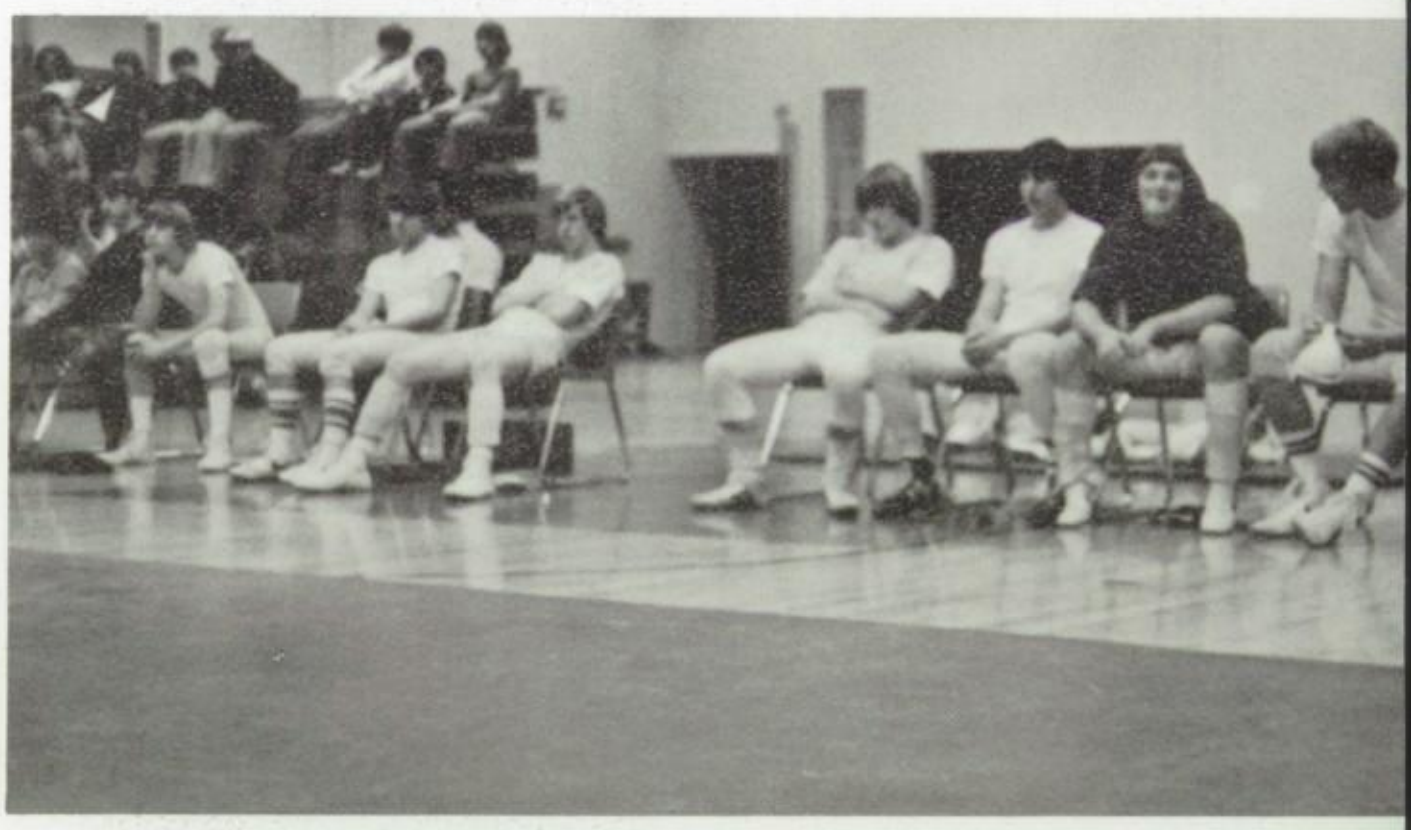
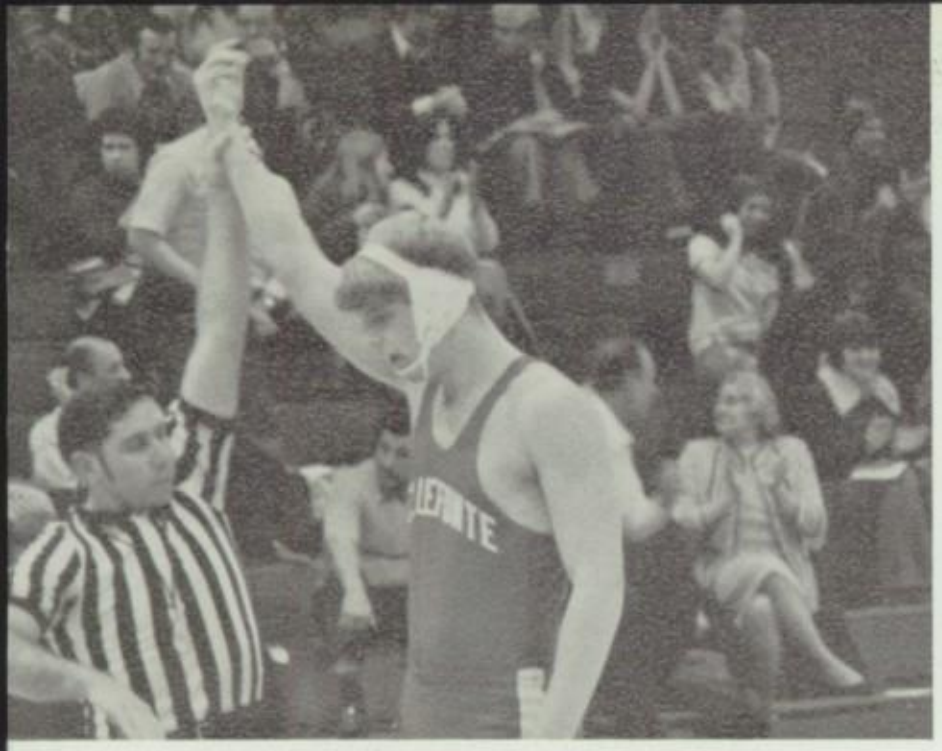
When the going gets tough, the tough gets going. The team along with the coaches stuck to their motto in more ways than one. Starting out the season with big margin losses, the team rallied for a shut-out against Lewistown. Hard work, good humor, and tons of spirit put 31 young Bellefonte wrestlers out on the mats this year.



Isn't life exciting when you're having fun?



I won at last!

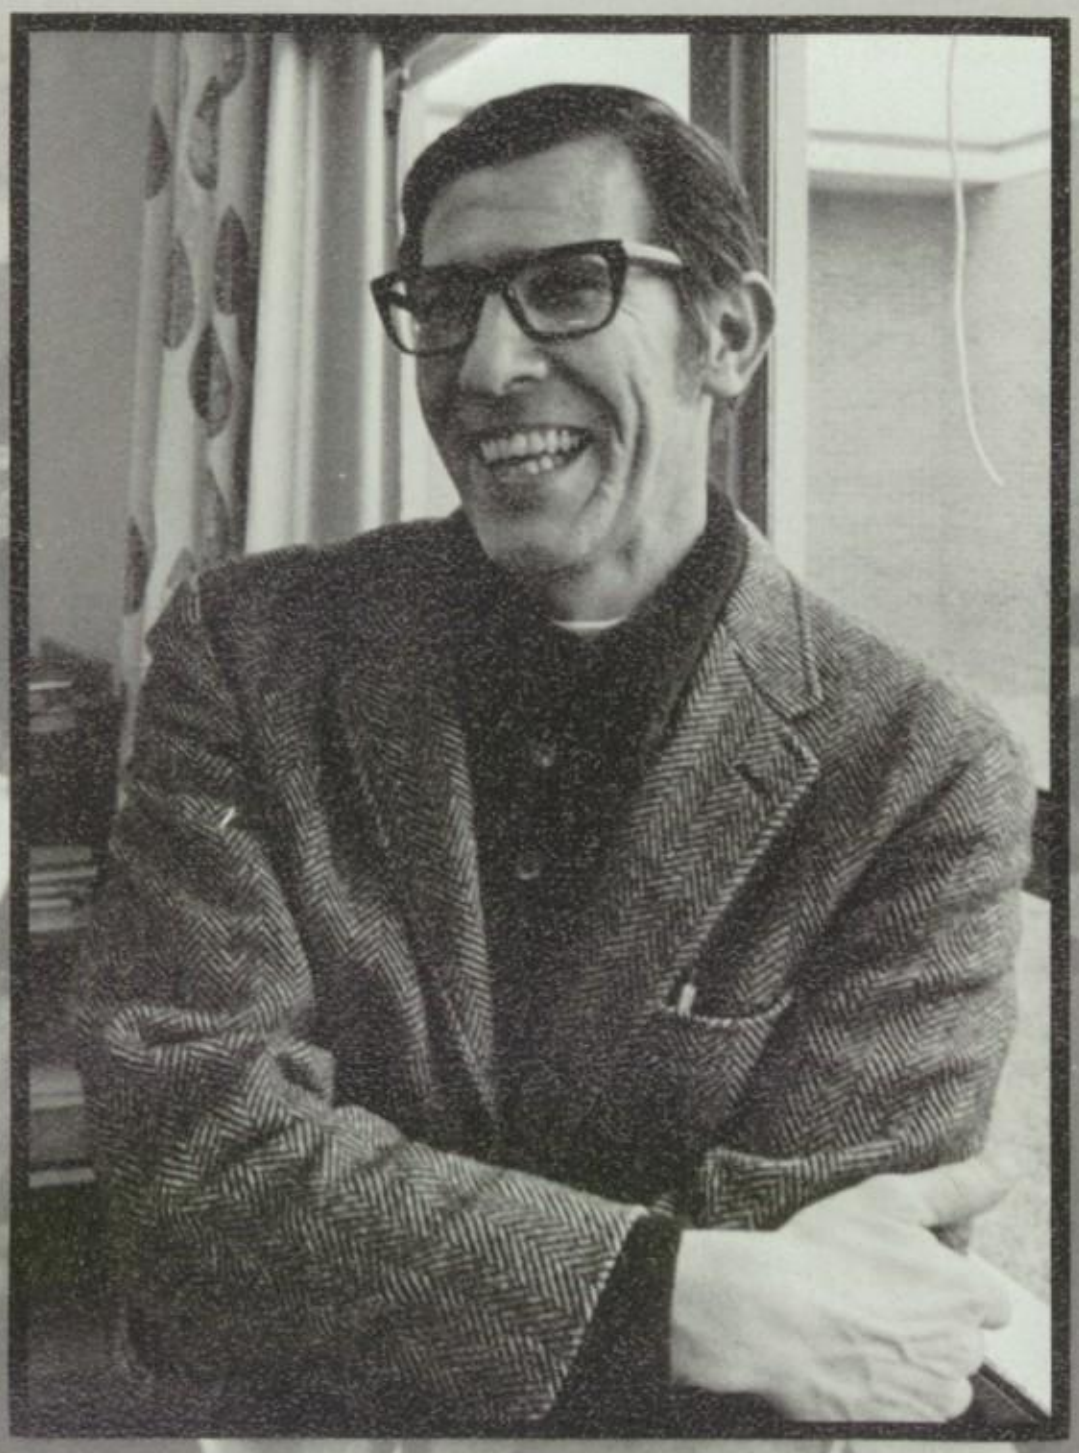
Faculty



The theme for the book, "We've only just begun" pertained to us, the staff, last May as much as to the senior class. We simply did not realize what a yearbook should be or could be. You started at the beginning of the long road of making a yearbook with us, and pulled us out of many road-side ditches and on to the smooth pavement again.

Thanks Mr. K. for your never-ending help, advice, and patience in the compiling of the 1974 *La Belle*. Capturing memorable events, putting them on paper, and meeting deadlines would not have been possible without your constant encouragement and advice. Your contribution to *La Belle*, as in the past, is accepted with gratitude; and you will always stand out in our memories of our senior year.

We wish you success and many good times with your future *La Belle* staffs.

Dear Kelli,

Boy has lunch been quiet since you left (HA! HA!) no I'm just kidding it's I'm really missed it a lot Have fun in Texas but don't forget the great times we had. Good luck in the coming years and see me & may God always bless you

Love ya
Beth W.

Kelli,

Hi! How do you tell someone you miss them? Well I really miss you a lot. Always remember your party that I was invited to. I know I'm a year older & I really don't look that much but I'm really glad I know ya & I hope Texas is terrific!!! Good Luck in the future because you deserve only the best.

Love,
Beth S.

Kelli,

Boy, (Girl!) are you ever missed up here! Never forget any of the good times we've had! Especially remember the long telephone call we had right before you moved! I hope you have as much success as Abe Lincoln, cause after all, you were him in 8th grade! Take care and remember "Why marry a man?" God bless you always.

See you soon.

Love,
Tracy

P.S. Lunch, Biology and Latin are not the same without you!

GIRLS BASKET BALL

This year's Girls Varsity Basketball Team finished with a record of 11-5. Each games' roster carried the names of Kelly Miller, Tammy Gummo, Sue Winger, and Lori Hefferman. This was a pretty good year for the team. The competition was rough, but the girls hung in there and finished with a second in the league. Linda Lowe coaches the girls varsity team.

According to Coach Randy Lowe . . . the J.V. Basketball team finished with a record of 13-3. The teams first string players this year were Deb Meyers, Leah Wion, Grace Fornicola, Barb Terpak, Chriss Bell, Kelli Blasko, Pam Heverly, Nancy Plozner, Sue Stoner, and Carol Hendershot. Despite their outstanding performance the team hopes to do even better next year.

TRACK & FIELD

"Look at them fly!" T. Harris, M. Long. Undoubtedly their finest season ever, the Red Raider Track and Field squad finished the '76 dual meet season with an almost perfect mark of 11-1. Meet after meet, they continually downed their opponents by lopsided scores. Their only setback occured at the hands of Chief Logan in the final meet of the season. In addition to a good season, the team enjoyed a home track for the first season ever.

VARSITY

The Red Raider Varsity Baseball team was led to a 10-4 season and a District 6 AAA Championship by the outstanding pitching of Tom Dann. The team, coached by Don Robinson, unfortunately lost the Central Penn League game due to a tough Clearfield team. Next year's season should be just as great because of the many returning lettermen.

J.V.'s

The pitching of Doug Vonada and Nick Hrabowenski contributed to the successful season of this year's J.V. Baseball team. The season ended in a first place tie with Clearfield who had the same 11-3 record. The team was coached by Ralph Gray.

The 1976 Bellefonte High School Golf team won the Eastern Division of the Penna Golf Association with an excellent 8-2 record. The team was led by Ron Markle and Mike Stevens, both four year lettermen.

Ron Markle was the most consistent player of the year and in the last match of the year with Philipsburg, in a must win situation, Ron fired a career low of 75 to lead the Raiders to their first championship.

Another highlight of the year was Mark Geeting's "hole-in-one."

On May 23, 1976, the class of '77 sponsored "Almost Anything Goes for Talleyrand Park." Students, faculty and townspeople from Bellefonte and Bald Eagle competed in zany events to raise $659 for the Talleyrand Park Gazebo. Even though BEA drove off with the winners' trophy, the whole affair was a complete success.
